eBucks rewards level	1	2	3	4	5

## Qualifying Criteria

You must be a qualifying eBucks member and be on an eBucks reward level

You only qualify for premiums back in eBucks if we receive your premiums

Your premiums must be paid from an FNB Business Current Account or RMB Business Private Bank Account

The total premiums on which you can earn a percentage back in eBucks, will be capped at a maximum of R7 000 each month for all your qualifying Plan premiums

For more details on the eBucks Rewards programme, and how to qualify, visit the [eBucks website](#). eBucks rewards Terms, Conditions and Rules apply.

## How do you earn eBucks on a FNB Group Funeral Plan?

Leruo Pty Ltd has a FNB Gold Current Account, is registered for eBucks and is on **reward level 5**.

They have a FNB Group Funeral Plan at a **monthly premium of R132.00**

This is how we calculate the eBucks earned for Leruo Pty Ltd every month:

- **R132.00 (total premium) x 15% (reward level 5 percentage) = R19.80 (eB198)**
- Leruo Pty Ltd will receive **eB 198 for that month**

Your participation in the eBucks programme allows us to better assess your risk. This enables you to earn back a percentage of your premium in the form of eBucks. We may change, suspend or stop giving premiums back in eBucks. We will notify you of this within a reasonable time of the changes being made.
